EVERYTHING WILL BE ALL RIGHT AT THE END
AND IF IT IS NOT ALL RIGHT, IT MEANS IS NOT YET THE END

An ambitious and hardworking designer, with a comprehensive understanding of design principles and experienced in Graphic Design, Web Design/Development, Motion Graphics and Film. Flexible, proactive and deadline oriented with a proven ability to develop projects from inception through production to final delivery. Forward thinker having excellent problem-solving and creative thinking skills.

Highly motivated self-starter seeking a position in a creatively challenging design company.

EXPERIENCIA

GRAFIQUES TREMA

Graphic prepress technician, designer.

Grafiques Trema is a printing company who gives to whole their client the satisfaction and security that everything will be perfect, even there could be some mistakes in their files.

My principal responsibility is treatment of files and plate imposition. That means all the responsibility goes to my hands. Take a carefully look at whole the file, making all the mistakes disappear to make sure the printer runs well, it is all that matters.

Oct. 2014 - Oct. 2015 | Arbúcies.

GOOD TRAVEL SOFTWARE

Artistic Director, Web Developer - Freelance.

Good Travel Software is an innovative Irish software development house focusing on the peer-peer and collaborative consumption markets. Wayfarer, our peer-peer management and booking system, is an off the shelf solution that has been used with 39,000 members in the UK through Whipcar. Wayfarer is best in class white-labelled software for companies in the sharing economy.

My chief responsibilities as a freelance were design:
brochure, hoodies, T-shirt and redesign some parts of their website.

Feb. 2014 - Mar 2014 | Dublín.

EXPERIENCIA

CLICKWORKS

Art Director, Web Developer - Freelance.

Ireland's only DBA Design Effectiveness Award winning agency. They love design, innovation and everything digital. Solve communication problems by listening and creating integrated design solutions tailored with brand. At Clickworks, recognise the need to differentiate ourselves against competition is the point.

My main responsibilities were carry out meeting with the clients, designing and developing front-end two website in one month. The timing was short and I got some trouble in a few parts of the project to design a particular area that users can easy get a confusion, however, at the end everything was solved and I could hand in it on time. Both companies appreciated all the hard work and the great result.

Jan. 2014 - Feb. 2014 | Dublin.

SOCIAL ENERGY

Art Director, Web Developer.

Social Energy was an online education platform for not-for-profit organisations, providing classes, interviews, case studies and white papers on social media strategies. We also offer workshops on crowdfunding and branding to these charitable organisations.

My chief responsibility was the creation of brand identity for various charitable organisations. Liaising with mainly Irish charities and prepare presentations on strategies for improving their websites in order to maximise impact. I also design and develop websites for a small number of private companies.

Sept. 2013 - Jan. 2014 | Dublin.

NETIP CONSULTING

Art Director, Web Developer, Motionographer.

Netip Consulting is a technology company offering efficient solutions focusing on digital marketing and communication at points of sale. Initially, I worked chiefly as a graphic designer. In my free time I learned new softwares such as After Effects, Wordpress, HTML5/CSS3, etc. and progressed my skills. After a few months, I moved into the area of motion graphics and web design/development.

Feb. 2009 - May 2013 | Barcelona.

PSLMW

Identity Grafica, web developer, Motionographer.

PSLMW "Por si las moscas web" is digital company that offers creative solutions for print, motion and web.

My main responsibilities were the creation of brand identities and liaising with clients to assist them in optimizing their online presence. Involved in sourcing outside companies such as Oxygen Events, AlterEgo, Brutal Render, Fotogarriga, etc. for our clients in order to fully meet all of their design requirements. Design/Development of Websites, Motion Graphics and Film.

2008 - Currently | Freelance.
